US tariffs: Andhra's shrimp export losses at ₹25,000 cr

REENIVAS JANYALA
Hyderabad, September 15

US PRESIDENT DONALD Trump's tariffs are estimated to have cost Andhra Pradesh approximately ₹25,000 crore in shrimp exports, with government officials saying that about 50% orders were cancelled.

With nearly ₹600 crore in tariff burden now falling on about 2,000 containers, chief minister Chandrababu Naidu has sought the Centre's intervention to alleviate the distress that the export crisis has caused in the state.

US tariffs touched 59.72% after Trump announced 25% additional tariffs over and above the 25% announced earlier, as well as the 5.76% countervailing duty and 3.96% anti-dumping duty.

In separate letters to Union finance minister Nirmala Sitharaman, commerce and industry minister Piyush Goyal, and fisheries minister Rajeev Ranjan Singh, Naidu suggested relief in Goods and Services Tax and extending

■ Andhra Pradesh accounts for **80%** of the country's shrimp exports and **34%** of marine exports

■ Over **3 mn** people in the state are dependent on shrimp exports

■ Nearly **₹600 crore** of tariff burden is now falling on about 2,000 containers

Centre's financial packages to Andhra Pradesh's aqua farmers to indemnify them against the losses and asked them to consider looking for markets beyond the US.

Andhra Pradesh accounts for 80% of the country's shrimp exports and 34% of marine exports valued at around ₹21,246 crore annually. Over 3 million people are estimated to be dependent on shrimp exports and allied activities in the state.

Pointing out that aqua

farmers and their families were facing hardships due to the tariffs, Naidu said that his government had already announced various relief measures — such as reducing the price of aqua feed by ₹9 per kg — and are considering other measures, including subsidising the price of transformers.

He asked the Centre to facilitate bank support for exporters and aqua companies — including a 240-day moratorium on loan and interest repayments, interest subsi-

dies, and a temporary waiver of the 5% GST on frozen shrimp. In addition, he urged the Centre to focus on diversifying export markets beyond the US by having free trade agreements (FTAs) with the European Union, South Korea, Saudi Arabia, and Russia to boost exports.

The chief minister also sought interim financial support for exporters, clarity on tariff/tax relief schemes, and noted that exporters were ready to supply seafood to the EU.

Asia Cup: PCB wants Pycroft removed

KUSHAN SARKAR
Dubai, September 15

THE INDIAN PLAYERS' refusal to exchange handshakes with their Pakistani counterparts after an Asia Cup clash in Dubai snowballed into a major controversy on Monday as an irate PCB sought the removal of match referee Andy Pycroft, holding him responsible for the fiasco that has stirred fresh tensions between the two arch-rivals.

India captain Suryakumar Yadav had justified his team's stand after the seven-wicket win on Sunday, stating that it was meant to show solidarity with the families of Pahalgam

PCB has held match referee Andy Pycroft responsible for the handshake row that has stirred fresh tensions between the two arch-rivals

terror attack in which 26 people were gunned down by Pakistan-backed terrorists.

This was after the team

drew severe backlash for playing against the traditional foes. The Pakistan Cricket Board reacted angrily to the entire turn of events and after complaining to the Asian Cricket Council (ACC), it has now sought the ICC's intervention.

Reports in Pakistani media suggested that Pakistan has threatened to pull out if Pycroft is not removed but that looks unlikely given that PCB chief Mohsin Naqvi is the current head of ACC. The ICC, on the other hand, is helmed by India's Jay Shah. The Asia Cup, however, is not an ICC event and is managed by the ACC.

"The PCB has lodged a complaint with the ICC regarding

violations by the match referee of the ICC Code of Conduct and the MCC Laws pertaining to the Spirit of Cricket.

The PCB has demanded an immediate removal of the match referee from the Asia Cup," Naqvi said.

The PCB had earlier stated that Pycroft "asked (Pakistan) captain Salman Ali Agha, at the time of the toss, not to shake hands with his Indian counterpart." The middle path being considered by ACC is removal of Pycroft from matches involving Pakistan. The 69-year-old Zimbabwean was to officiate the team's final group stage game against the UAE on Wednesday.
